"From my side our stay was great. Really enjoyed the potjiekos evening it was great fun. Your staff were always helpful and pleasant. The staff that organised the stuff for the teas needs special mention as they always went the extra mile!" (URC)

"I would just like to second every statement below it was wonderful but next time (and there will be a next time)everybody will be in the river, so an overnigher would have to be in the plan." (Discovery People)

"Thank you for a lovely conference. In my 3 years of doing EY events this has by far been the most successful event ever. Your on the ground team is an absolute pleasure to work with, they are so helpful and willing to assist on every possible level." (Ernst and Young)

"I wanted to give you feedback on the amazing service and assistance your team at Khaya gave to me and Lafarge during our conference last week. Over the last 19 years I have worked with many establishments and this experience really stands out for me. Your team, the Chefs and their respective teams are incredible. Nothing was too much to ask for, they sorted out all hiccups in a professional manner, accommodated all our room changes (and there were many), food and beverage requests and were an amazing assistance to myself throughout the conference. These individuals are exceptional at what they do and they deserve our thanks. Khaya is a very special place, with wonderful people and it makes it an absolute pleasure in recommending it to other clients. I look forward to coming back to Khaya in the near future." (Lafarge)

"Namens Spar / Build it wil ons julle bedank vir al die hulp wat ons van julle kant af gekry het tydens die voorbereiding en die familie naweek. Khaya lbhubesi is die mees netjiese venue waarmee ek al gedeel het die kos was voortreflik en die diens was uitstekend. Aan almal van julle wat die naweek so glad as moontlik hanteer het, 'n groot dankie." (Spar / Built it)

"Thanks for a memorable stay at your conference centre. The facilities and amenities are world class. I was a delegate with the City Power management team. I would also like to commend your service teams from the time of check in, to check out for their professionalism, friendly demeanour and customer centric attitudes. It was a " lekker " stay." (City Power)

"I would like to take this opportunity to thank you for your assistance in making the teambuilding a successful event. To date, I have only received positive feedback." (HWSETA)

"It was indeed a pleasant experience at Khaya. Everything went very well and your support staff were awesome." (IDC)

"I just wanted to make use of this opportunity to thank you for the best Operations Conference Incredible Connection has had in the 6 years that I have been with the company. Our Branch Managers came from all over the country including Gaborone and Namibia and every single Branch Manager left with only good words and comments of how fantastic it was, great fun they had and people wanting to bring their families back to Khaya for a weekend away. The service offered to us was amazing, your staff were absolutely fantastic to say the least and the assistance we received for the smallest, strangest requests was absolutely great. Please pass my thank you on to every single person that made the two days into the biggest success I could of hoped for. The staff at the Wednesday evening Dinner were so helpful, I cannot express in words the gratitude I have for the most memorable evening. The team building events were planned very well and your staff worked around our schedules when we ran over and I can only say Thank you once again." (Incredible Connection)

"Baie baie baie dankie vir julle die naweek, julle diens was puik! Die kos was uitstekend en die gasvryheid fantasties. Sê asseblief vir almal wat aan diens was die naweek ons sê baie dankie, sonder hulle sou dit nie so 'n groot sukses gewees het soos wat dit was nie." (Nashua Mobile)

"We had a fantastic Strategy session at Khaya lbhubesi. You and your staff were absolutely wonderful. Patient and attentive even when we arrived late. Accommodating when we asked to watch the Rugby or amended times at the last minute. Housekeeping helped with the presents without any fuss. Cisca was proactive when she realised that we would not be able to go river rafting in the rain and lightning and re-arranged times to accommodate us - this was so thoughtful because I was so busy with the team I had not noticed the lightning. The venue was tranquil, with beautiful clean rooms and well equipped conference rooms, in addition there were many little thoughtful extras which made a huge difference. All in all a very BIG THANK YOU and well done to your TEAM. We look forward to returning in the near future." (Sasfin Securities)

"Firstly, I would like to pass my thanks for such a wonderful stay at Khaya. We had so many comments on the venue, everybody did enjoy their stay. The food was excellent, even though I was vegetarian for my stay." (Covidien)

"Thank you from our whole team. We all had the most amazing time at Khaya. The staff, facilities, food, etc, etc (too much to mention) was way above the expected standards. We left feeling totally spilt. A special thanks to Janet who made everything run smoothly and ensured that even the little bitty things were taken care of. Thank you very very much. We must arrange a time for you to come through to Tiger to present to the other PA's. I am sure Khaya will be visited regularly by Tiger staff." (Tiger Brands)

"I want to take the opportunity to thank you and your team at Khaya Ibhumbesi for a fantastic breakaway - from the conference room set up, catering, teambuilding and the awesome dinner (to name a few!) - everyone had a wonderful time and really enjoyed themselves. People were extremely complimentary about the venue - thought it was awesome." (SAP South Africa (Pty) Ltd)

"I wanted to thank you for the wonderful hospitality at your place, the staff there are kind helpful professional, I have been to many places in the province for conferences and accommodation and yours exceed all of them, the food was delicious, and everyone was happy especially my boss, the lions were a great hit with everyone." (Dep of Sport, Arts, Culture and Recreation)

"Thank you for all your assistance while conferencing there last week. You have surpassed our expectations. I cannot even rate the hospitality, never a too big or too little a request. I will definitely recommend you to anyone I know." (Air Traffic and Navigation Services)

"Ek wil graag van die geleentheid gebruik maak om julle te bedank vir 'n uitstekende dag en funksie. Dankie dat julle julle pad gegaan het om dit vir almal spesiaal te maak. Dankie vir julle hulp aan my gedurende die beplanning en reëlings wat getref moes word." (Fidelity Security Services)

"I must say, the entire team was in mutual agreement that the food that you prepared and served was absolutely splendid. I must also personally admit, I was so impressed with the quality, calibre and awesome flavours of food. Also, positive feedback about the units and the grounds/facilities, which the team thoroughly enjoyed. Another positive was the close proximity the resort is in to the Vaal River!!!" (MultiChoice)

"On behalf of Coloplast I would like to thank you for ensuring our Kick-off Sales Conference was a huge success. The entire team were impressed by the food accommodation and service. Included below are some of the comments from the team!

- "Great venue - comfortable with a relaxed atmosphere conducive to allowing focus on meeting. Feeling of 'being away from it all' and thus no distractions"
- "The venue was very good, but as usual, no thanks for the extra kilos because of the good food. Loved it! The evenings were fun and especially Sophiatown went down a storm, with OUR TEAM winning 30 seconds a pure pleasure! I can only say the Quads stretched some of us, but the end result was good for team spirit, and I am sure all of us loved it."
- "Venue was awesome and the food was just too good, thanks Dave for spoiling us yet again." (Coloplast)

"Hi Khaya iBhumbesi Team

On behalf of WesBank I would like to say Well Done to an amazing conference weekend (12TH August - 14th August). The venue, catering, sales, kitchen, security, banqueting, housekeeping, managers, reception, admin, maintenance staff was outstanding.

To the staff thanks to all your hard work, preparation and planning at Khaya iBhumbesi. The conference was a huge success!

Thank you once again for a lovely time spent at Khaya iBhumbesi. The customer service was OUTSTANDING!" (Wesbank Events)

"A special thank you to all the personnel at Khaya Ibhumbesi for making our stay a pleasant and memorable one! The venue is beautiful and the service great - not to mention the food!!

I will definitely consider Khaya Ibhumbesi for future (2012 or 2013) conferences or teambuilding requests!" (Lundbeck South Africa (Pty) Limited)

"I would just like to thank you and all the staff at the venue for making our conference a huge success. We have had nothing but great feedback and they have all said that they loved the venue and would like to book again." (Avroy Shlain Cosmetics PTY (Ltd))

"My experience for the past functions that were held by the Department at Khaya Ibhumbesi was as follows:

The food was really delicious and the quality was of high standard.

Since one of the functions involved our Minister with Vredefort Dome land owners, changes in some instances were requested on the eleventh hour, the staff were equal to the task, we were assisted with a smile. We really felt most welcomed at Khaya. Professionalism is being practiced by the staff.

Conference facilities were of the high standard that is one of the reasons why Khaya was recommended to host the functions because the department could not get a better venue especially in a small area like Parys.

The rooms were very inviting, spacious, clean and well prepared.

The Decor was of the high quality and it met the standard of the Minister.

We were well received and the environment was friendly and accommodative.

Although the Department confirmed on the eleventh hour but Khaya managed to arrange the facilities beyond our satisfaction." (Department of Environmental Affairs)

"Thank you so much for all your assistance and kindness during the booking process as well as while our team members were there and thanks for looking after them!

It was indeed a pleasant experience and I have received a lot of compliments (re: accommodation, food, staff) from all of them." (Anglo Gold Ashanti)

"From the time we arrived the service and experience at your Khaya was awesome. I was amazed and so were my Team, at the professionalism and high level of service received." (FNB)

"Just a note to express our sincere gratitude for the organising of what turned out to be the best conference that our company has ever been on." (General Mills SA)
